### INSPIRATION

[Perfect Faith Which Worketh By Charity Brother Kevin Blewett Sunday, 16 June 2024 Godstone Tabernacle, London](#)

**64-0823E - Questions And Answers #2**

57 ... **And we do have today...** [How many knows that quote?] **And we do have today, by God's help, the perfect interpretation of the Word with Divine vindication! Then that which is in part is done away with.**

**He said it. Finished.**

**"When I was a child, I spake as a child, I understood as a child; but when I become a man...**

When I reached Page 304. When I got to the Cape of Good Hope.

**...I put away childish things."**

Amen! The perfect interpretation is come.

Paul preached in part. But when you preach what Paul preached plus This [Ed: Brother Blewett holds up the Scroll.], that which is perfect is come. Original Man is back. Oh! It may be a fanatic Message, but the Seven Thunders brought It.

So, Brother Branham had the perfect interpretation, but he didn't tell us. 'Don't you explain This.' So, It broke to him. 'Glory to God in the Highest. I can never think the same again. There's a secret lays under There!' But he couldn't explain It.

Then the symbol broke to Brother Coleman. But the symbol wasn't complete because it plays out through time. The passage of time, down to the Cape of Good Hope! Amen? Right!

So, there's many in the Message, but the true Seed of the Message, the Offspring of God, are the people who can correctly interpret the Seventh Seal, the Tent Vision, and break the Seventh Seal and open the whole Book. They get the Title Deed. Amen!

That's why we're crying, 'The Title Deed is in our hands.' We do have by the Grace of God the perfect interpretation of the Seventh Seal, vindicated by signs and wonders around us. My!
